Testing Search Indexing Robots Adobe Acrobat PDF Properties Only

This page is testing whether search indexing robots follow URL links to Adobe Acrobat .pdf files, and whether the indexer recognizes text in these files.

If you search for the unique keyword in the document properties, and find this page, the search engine robot follows these links and indexes the text in the PDF.

Search Code: RTest, RTestGood, RTestGood 156a

For more information, see <<http://www.searchtools.com/test/>>.
